NEWS OF THE MONTH

DOUBLE AWARD FOR HERITAGE LE TELFAIR AT THE TRAVELLERS' CHOICE AWARDS 2018

For the 16th consecutive year, TripAdvisor is showcasing the best hotels through the Travellers' Choice Awards. The world's largest travel website, with 500 million travellers' reviews, ranks Heritage Le Telfair 10th in the "[Best Hotels in Mauritius](#)" and "[Best Luxury Hotels in Mauritius](#)" categories.

Heritage Le Telfair Golf & Wellness Resort, this 5-star hotel with a plantation-style house spirit, reopened its doors last September after three months of renovation with a new, timeless, contemporary décor using neutral tones inspired by tropical nature elements and an architecture that opens more widely to the outdoors to naturally illuminate the interiors. The guests are immersed during their stay in a refined décor combining the modernity of today with the authenticity of Mauritius in the past.

Heritage Le Telfair was awarded again this year on the basis of millions of travellers' opinions. A great reward that the management of Heritage Resorts dedicates to its clients for their confidence as well as to all the staff of Heritage Le Telfair for their sustained efforts always having the customer at the heart of their concerns.

WELLNESS WEEKS AT HERITAGE LE TELFAIR

Heritage le Telfair Golf & Wellness Resort once again took a wellness break from 20th to 27th January 2018. The week's program included daily Pilates classes with Dominique Tinjust, a certified Pilates teacher from Paris.

To combine physical sessions and nutrition, a "Tonic Detox" package was proposed by Seven Colours Wellness Experiences through a 6-days program, encompassing nutrition course, lymphatic massage, deep tissue massage, sea walks with a coach, breathing initiation and a selection of detox cocktails as healthy refreshment after training.

Our [next 2018 Wellness Week](#) is scheduled at Heritage Le Telfair from 17th to 24th March.

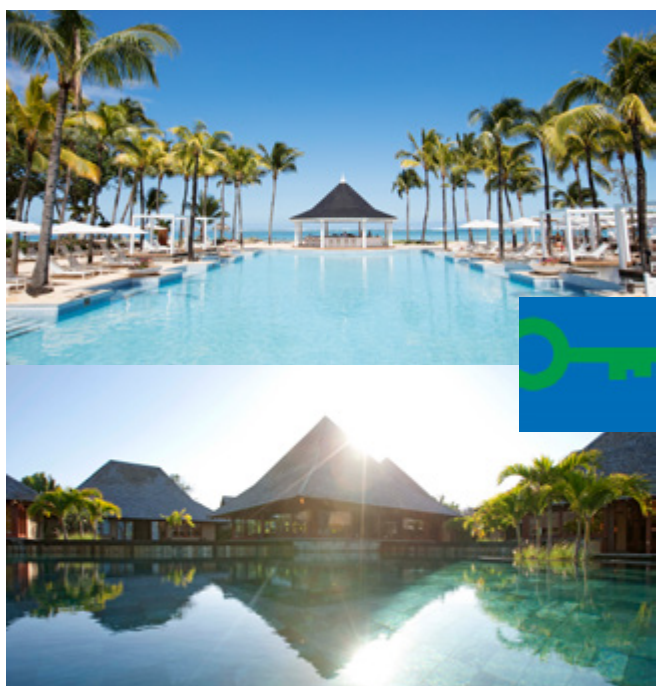

HERITAGE LE TELFAIR & HERITAGE AWALI AWARDED THE GREEN KEY ECO-LABEL

For the second year in a row, Heritage Le Telfair and Heritage Awali have been awarded the Green Key eco-label for their efforts to preserve the environment. The Green Key initiative is a point of reference in the hospitality industry. This prestigious eco-label sets strict criteria established by the Foundation for Environmental Education (FEE) for the conservation of basic resources such as water, energy and foodstuffs.

It is from this perspective that Heritage Resorts, already committed to environmental protection through numerous actions, is preparing an action plan for the year 2018 to strengthen its Green initiative.

Well done to both teams at Heritage Awali and Heritage Le Telfair for their commitment, hard work and efforts!
