## NEWS OF THE MONTH

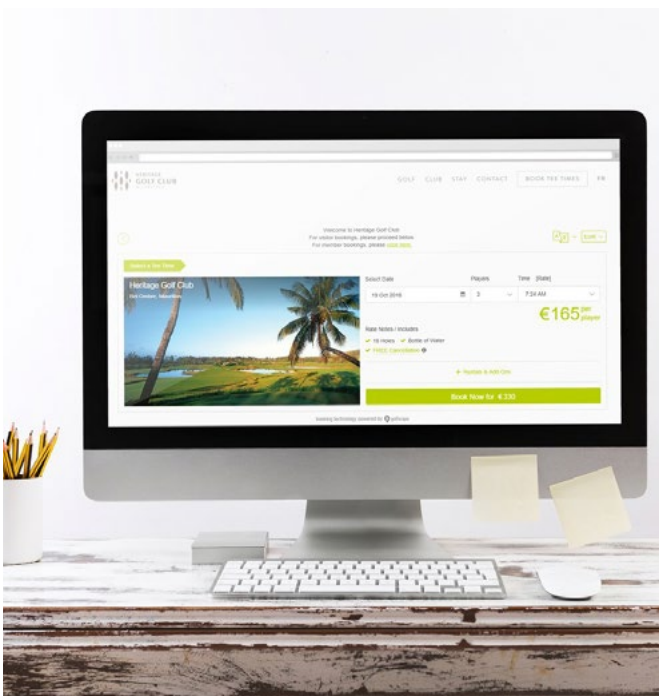

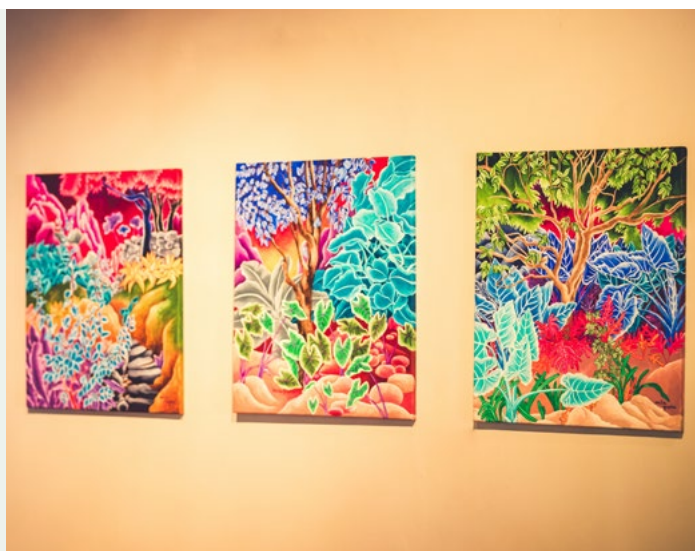

### HERITAGE LE CHÂTEAU IS NOW OPENED FOR LUNCH

Three times a week, it is now possible to have a gourmet lunch featuring tasty local cuisine, served under the magnificent Intendance tree. A 3 course menu with local products has been created for the guests who want to enjoy fine cuisine during the day while enjoying the serenity of this place in a sumptuous decor. Shredded coconut salad with tamarin, Dorado fillet or also a coconut cake... each dish is a delight for the senses.

### AWAKENING YOUR SENSES THROUGH ART

Heritage Awali Golf and Spa Resort presents from October 17, 2018 to April 16, 2019 the Spart Experience exhibition in collaboration with Seven Colors Spa.

The original exhibition presents more than 25 works by several Mauritian artists. This project has two prime objectives. On the one hand, it aims to promote Mauritian talent, art and culture by introducing artists and their works to hotel residents. On the other hand, it brings art into the universe and the concept of well-being.

### THE DIGITAL GOLFING EXPERIENCE AT HERITAGE GOLF CLUB

Heritage Golf Club innovates with digital tools in order to best satisfy its golfers.

The first one is a fully online booking capability, the only one in Mauritius. Thus, golfers can book and pre-pay online for their green fee, golf cart, trolley and other hire items. They can also select the time that suits them, cancel or change their bookings.

The new revolution at Heritage Golf Club is also the app that can be downloaded by golfers. With this technology, they can easily make a booking or learn about the course. The golf club offers golf rounds with Golf Skate Caddies where golfers can surf the fairways and be guided around the course with a GPS system.

Well done to the Heritage Golf Club team for these innovations
