## NEWS OF THE MONTH

### BIS LAMER, A MARINE SCHOOL ON WHEELS!

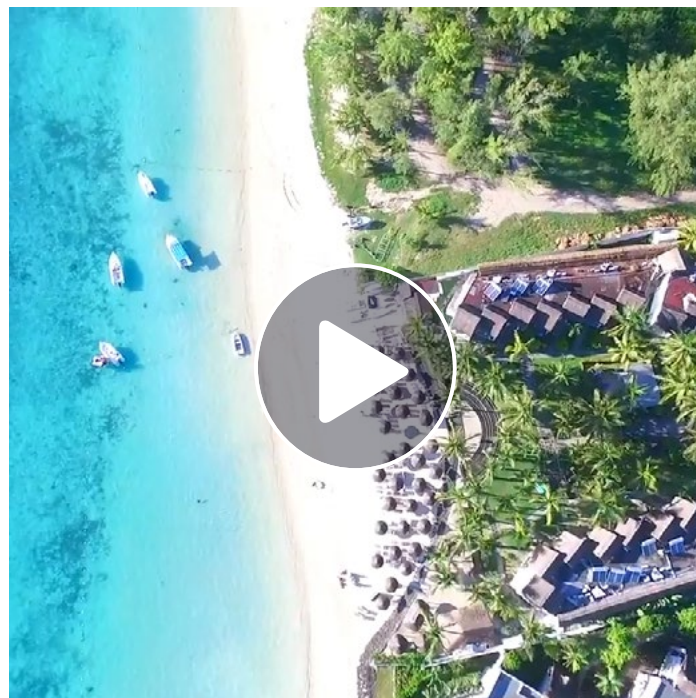

A school on wheels to learn more about the coastal and marine life?

This new concept launched in 2014 by Reef Conservation is now available in our Veranda Resorts hotels. Once a week, this truck aptly named Bis Lamer, goes around the hotels to meet the public eager to know the impact humans have on the sea and on the climate change. This initiative is one of other experiences offered to our guests as part of Deep into Sustainable Mauritius.

### THE VERANDA PALMAR BEACH HOTEL FROM THE SKY

This video will show you Veranda Palmar Beach in a different light. By clicking on the link, enjoy the translucent blue of the lagoon, the dazzling white of the sand and the beauty of this place...

By the way, the step paddle is a new activity at Veranda Palmar Beach! Standing on the stand up paddle board is okay but the first time you row, it gets complicated... Loss of balance and you are good to start over! No more hassles with our new step paddle. With pedals and handlebars, this stand up paddle board is a relief for all! Propel yourself with the power of your legs and realize that it is better to practice a fitness session on the beautiful lagoon of Palmar beach.

### APRIL'S PHOTO OF THE MONTH

Each month, the POM (photo of the month) is selected among all the Social Media Champions in order to congratulate them for their work and boost their motivation. The Photo of the Month for April 2018 goes to Mr. Jean Pierre Bavajee at Veranda Grand Baie Hotel & Spa. This lucky winner will have the chance to enjoy a lunch for two at Veranda Paul & Virginie. Well done & keep it up!
