NEWS OF THE MONTH

“GOOD FOOD, GOOD MOOD, SA KI BON SA!”

Twice a week, thanks to our collaboration with Taste Buddies, we offer our customers a guided street food tour in the old streets of Port Louis! On the menu, “tou sa ki bon” in Mauritius, from our famous “boulettes” and dholl puri to a refreshing Tamarin juice. The guests will also discover the rich culture of our capital city Port Louis.

Do you know that Mauritius is a popular destination for the quality of its street food?

Last June, CNN Travel magazine awarded Port Louis, 16th place in the ranking of “The 23 best cities in the world for street food”.

HANDY, OUR GUESTS' NEW TRAVEL BUDDY

Have you ever met Handy? He is the world's first mobile operating system for the hospitality industry used by top hotel brands around the world. Good news, this service will be soon available in our five Veranda Resorts in order to improve our client's experience. Ideal companion for travellers, Handy will offer a free internet access, unlimited local and international calls and a Mauritius guide.

A SHARING TABLE FOR A SHARED PLEASURE

A new concept has arrived in our hotels Veranda Resorts. The idea is simple and will have a certain success. The guests will have the choice to sit at the sharing table and enjoy a privileged moment with team members and other tourists. This round table will be the opportunity to create links and learn about the others 'culture.
