THE FRENCH BLOG "OUI AU SOLEIL" FASCINATED BY VERANDA PAUL & VIRGINIE

Sandrine Rault, founder of the blog "Oui au Soleil" is passionate about marriage and in love with Mauritius. For her last inspirational shooting held on Monday 4th of June, she chose our romantic couple-only hotel, Veranda Paul & Virginie, the perfect hideaway for total escapism.

Through this photoshoot and despite the stormy weather, the team succeeded in enhancing the natural beauty of the scenery and outstanding panoramic views of the lagoon.

FOOD IS ALWAYS A GOOD IDEA!

Food is the pulse of a culture! It brings us together and remains the best way to soak up all that it has to offer. Veranda Resorts masters this full sensory experience. The Chef is the guide and guests are invited to capture the scents of fresh herbs and vegetable, touch and prepare the produce, taste and spice up their preparation, and finally get together and share a memorable lunch. Once a week, in each Veranda Resorts hotel the guests can play the part and put on their aprons for a 2 hours cooking class that they will remember!
