### VERANDA RESORTS GOES GREEN FOR THE 50<sup>TH</sup> ANNIVERSARY CELEBRATION OF THE INDEPENDENCE OF MAURITIUS

Through the month of March, an awareness campaign has been conducted by Veranda Resorts on sustainable development with eco-friendly initiatives. The first initiative was a cleaning day held on Saturday 3rd, Sunday 4th and Saturday 10th with the participation of employees of every Veranda Hotel and neighbours assisted by a recycling company, Green Ltd.

The second initiative was a bulky items collect, organized from 15th to 17th March. For three days, inhabitants from Grand Baie, Pointe aux Biches/ Trou aux Biches, Grand Gaube and Tamarin had the opportunity to drop their old appliances in a recycling bin put at their disposal on each hotel's parking.

This sustainable campaign has also been implemented in identified local schools around our hotels. Creating awareness and educating Mauritian children on the 3R (Reduce, reuse & recycle).

### DEEP INTO CULTURE

Veranda Resorts will launch a new guest experience in its hotels: "Meet our artists". Mauritius is full of talented people who represent the voice of this beautiful island. Once a week, an artist, sculptor, singer or musician will meet the tourists for a moment of sharing. Comfortably seated in a cosy place near the main bar, the guests will have this chance to learn about Mauritian culture!
