A MAGICAL FESTIVE SEASON AT VERANDA RESORTS

This year, the festive season at Veranda Resorts is about sharing!

Few activities will be proposed to the guests who will be immersed in a warm and colorful atmosphere. They will have for example the possibility to share their good wishes to others with the wishing tree, sit at a communal table with other residents and also participate to themed evenings (open-air cinema, boma dinners etc.).

This festive season at Veranda Resorts is also about solidarity because the magic of Christmas is also to care for others. There will be a distribution of gifts to disadvantaged children and meeting with families in need, thus ensuring a merry Christmas for all.

NEW BATHROOM AMENITIES IN OUR 4* HOTELS VERANDA RESORTS

Because everybody needs a little fantasy to feel good, the hotels Veranda Resorts have decided to completely review the range of beauty products proposed to their guests; a modernised packaging with new colours and a funky touch to be in a good mood upon awakening.

The components of the new products have also been reviewed in order to ensure the application of 100% natural products on our customers' skin and hair.

REOPENING OF VERANDA TAMARIN

With roots anchored in the village of Tamarin, the mythical hotel Veranda Tamarin is an address out of the ordinary, ideal for those who seek to live a unique experience.

Before the reopening scheduled for the 15th of November, have a look at this video and join as from now our tribe.
